VISION STATEMENT:

Our preschool will foster joy, promote learning, and support spiritual, social, emotional, physical and cognitive development through guided play in a Christ centered environment.

We will strive to provide a safe, loving, creative and nurturing environment that allows children to experience Christian values, recognize their emerging spiritual gifts, experience what it means to be a child of God, and learn to be a steward of God's creation.

We will honor diversity through a unique integration of childcare and education; and strive to build relationships while supporting a partnership with the child's whole family structure.
