GREEN TIP: August 4

“Then the Lord said to Moses, “I am going to rain bread from heaven for you, and each day the people shall go out and gather enough for that day.” –Exodus 16:4. So much of our environmental crisis can be traced to people taking, using, and wasting much more than they need each day, month, or year, not trusting that God will provide what we need the following day, month, or year. This week, examine how you consume and store up more food, clothing, technology, or plastic items than you ever need. Choose at least one such item to cut back on so that you only buy or consume what you need each day.

PRAYER TEAM: August 4

God loves to hear our voices. Our Father in heaven listens, cares, and guides His children. Prayer is connecting with God, conversing with Him who knows and loves us, unconditionally.

God our creator and our end, give us grace to bear bravely the changes we must undergo, the pain we may have to face to come to our home with you. Give us the courage to welcome that unimaginable moment awaiting us; give us trust and confidence; and at last give us peace. Amen
