

Our Redeemer Lutheran Church, Pine City, MN

Position Description – Sound & Technology Manager January 2022

Mission Statement

“Shining God’s LIGHT into the darkness, bringing HOPE where there is despair, and HEALING where there is hurt.”

Position Overview

The Sound & Tech Manager is responsible for overseeing, coordinating and implementing the A/V equipment in the Sanctuary and recruit and train volunteers to staff it during worship.

Qualifications

Theology consistent with the ELCA with a Christian commitment in your life. Some experience in tech support, sound & light, and video recording desired and/or a willingness to learn.

Accountability

Reports to the pastor, Worship Team, and church council.

Responsibilities

1. Pray for our congregation and the people you will be working with.
2. Set up and maintain the church’s soundboard, microphones, powerpoint projector, and livestreaming video system and radio broadcast.
3. Provide sound assistance, or recruit and train volunteers, for all worship services (Sundays, Mid-week Lenten worship, Weddings, Funerals, etc. Other volunteers will cover weddings for now)
4. Coordinate sound for Summer “Picnic Church” in Robinson Park (organizing setup and take down of gear to and from the church.).
5. Participate in continuing education opportunities as applicable.
