

Shop with Scrip

By using Scrip cards for your every day shopping & purchases, you spend the same amount of money as normal, but a donation is sent to Children of Joy Preschool for every dollar spent.

1. Go to www.ShopWithScrip.com click 'Join a Program'
 2. Email **Children of Joy (orlckidz@gmail.com)** to get your enrollment code.
 3. Click 'Register' & answer the challenge questions to set yourself up securely.
 4. Order online to earn for Children of Joy.
- Physical Gift Cards: order & they will be mailed after processing. Once you receive your gift card, many of them can be reloaded through the Scrip website so you can reuse the same card over and over. (I personally reload my \$25 gas card with \$70-\$100 at a time.)
 - *ScripNow* is an ecard you buy and print instantly.
 - *MyScripWallet* is the mobile website you can set up once your Scrip account is established.

Scrip is **very** concerned with security. They use *PrestoPay* for their secure online payment method. Under Family Functions, you enter your checking account information. Within 48 hours, your account will receive 2 small deposits. You use the information about those deposits in your Scrip account to verify and finalize your *PrestoPay* account. Once that is done, paying for orders is very convenient and easy.

Thank you for your support of Children of Joy Preschool!
Patty Keyport
Children of Joy Scrip Coordinator
